The annual membership fee for the Bermondsey Artists' Group is £30 or £20 for students or recent graduates (2 years), with renewal occurring in April. To apply for membership, please complete this form and send it together with examples of your recent work/ website address, a current CV.

Your work will be considered by the Bermondsey Artist Group representatives on the Board of Trustees, who meet twice annually to accept applicants to the group. All applications will be accepted provided you can demonstrate you are working as a professional visual artist. Your work should not contradict the group's constitution and be sympathetic to the group's original artist led ethos.

Once your membership has been accepted you will be sent information to set up a standing order for your membership and as soon as the first payment is made you will officially become a member of this group. You will then be invited to attend a Preview convenient to you to informally meet with other members in the group.

Visual artists from all sections of the community are strongly encouraged to join the group.

To submit your application please email it to membership@cglondon.org where it will be passed on to the Trustees.
